- (b) any infringement of patent, or trade mark/copyright arising from the use of Related Services or any part thereof.

The Contractor/successful Partner shall also indemnify [TBRL](#) against any privilege, claim or assertion made by third party with respect to right or interest in, ownership, mortgage or disposal of any asset, property, movable or immovable as mentioned in any intellectual Property Rights, licenses and permits.

Without limiting the generality of the provisions of this clause, the Contractor/successful Partner shall fully indemnify, hold harmless and defend [TBRL](#) from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which [TBRL](#) may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of claims, of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentially rights with respect to any Goods, Related Services, information, design or process supplied or

used by the Contractor/successful partner in performing the Contractor's obligations or in any way incorporated in or related to the Agreement . If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Contractor/successful Partner shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Goods or Related Services, or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Contractor/Partner shall promptly make every reasonable effort to secure for TBRL a license, at no cost to TBRL authorizing continuous use of the infringing work. If the Contractor/Successful Partner is unable to secure such license within a reasonable time, the Contractor/successful Partner shall, at its own expense, and without impairing the specifications and standards, either replace the affected work, or part or process thereof with non-infringing work or part or process, or modify the same so that it becomes non-infringing.

If any Product/Service delivered to TBRL is held to infringe any patent, trademark, trade secret or copyright, or other proprietary right and TBRL or its partner is enjoined from using that Product, Contractor/Successful partner will, as soon as is reasonably possible, using all reasonable efforts and at its expense do one of the following: (i) procure for Lab the right to continue to use the Product/Service free from any liability for that infringement, or (ii) replace the Product/Service with a non-infringing substitute which substantially complies with the requirements of the proposed Agreement mentioned above or (iii) if actions at (i) and (ii) do not materialize within reasonable time, thereby, affecting progress of the project for which the material is intended, the contract or herein authorizes TBRL to resort to risk purchase and recover additional cost incurred along with its Overheads.

IN WITNESSES WHERE OF the contractor/Indemnifier(Name of Prospective partner) has caused these presents to be executed on its behalf in the manner hereinafter mentioned on the day and year first hereinabove written.
